

Arkansas Tutorials

with Adaptive Remediation

Bring all students to grade-level proficiency and prepare for the ACT® and ACT® Aspire

Create Opportunity

State-aligned Tutorials, customizable to your district's needs, adapt to each student and provide personalized instruction, practice, and review. Arkansas students **achieved a 61% gain** from pretest to posttest. Here's how:

Bring Middle School Students to Grade-Level Proficiency

By connecting adaptive remediation with on-grade skills, Tutorials efficiently fill gaps and build grade-level proficiency.

Increase ACT Aspire and ACT Scores

Personalized learning plans target just what each student needs—filling gaps and developing standards proficiency.

Topic-level pretests
identify skill gaps

Adaptive remediation—down
to elementary-level concepts
if needed—fills gaps in
prerequisite skills

On-grade instruction
supports state exams and
grade-level proficiency

Reporting by Standard

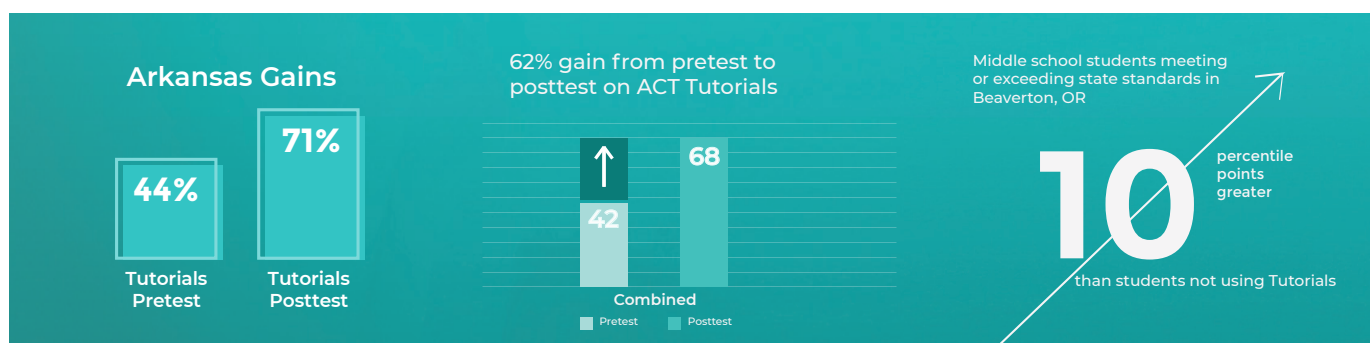

With real-time dashboards and reports, educators can tell where each student is—for each standard—so they have the information they need to support student success in class and on high-stakes tests.

Proven Results

Tutorials help students across Arkansas and the nation achieve grade-level proficiency, and they help districts increase performance on ESSA indicators of achievement.

“When I spoke to the School Board they talked about how the graduation rate has greatly improved since the district started using Apex Learning and how the pieces are beginning to connect. The Board is really pleased!”

Charles Jones
Principal
North Little Rock SD

2020-2021 Arkansas Tutorials Catalog
