

Educator Academy

Your Self-Service Online Learning Portal

Apex Learning Educator Academy makes it easy for teachers and administrators to complete on-demand training, earn certificates, access implementation resources, learn about professional services, and connect with other teachers and administrators.

"Working with our Apex Learning Success Manager has served to further our enthusiasm for Apex Learning as a rigorous and meaningful alternative for our students. She has worked with us to ensure our program and policies are in place to help us maximize the benefits of digital curriculum."

Meg A. Abrahamson, Ed.D
Chief Human Resources Officer
Pasadena Unified SD

Through Educator Academy, access:

On-demand functionality training for teachers get up to speed quickly with on-demand training on Apex Learning digital curriculum. Certificates for training completed qualify for Continuing Education Units (CEU) certification.

Implementation resources for educators to have 24/7 access to the resources needed for effective implementation.

Nationwide Community forum where educators can connect to develop models, share ideas, ask questions about their implementation and our digital curriculum, or how to expand digital learning in their school.

Complimentary on-site professional services to support educators with program strategy, design, planning, and implementation; focused training on the use of Apex Learning digital curriculum; and best practices to maximize a program's success.

Blended Learning Approach

In much the same way schools are incorporating online and blended learning into instruction, Apex Learning is applying these models to professional development and support for teachers and administrators. Our engaging personalized services provide tailored support to meet every educator at their level of readiness to develop the capacity to implement strong online learning programs.
