New York Tutorials
with Adaptive Remediation

Prepare students for success on the Regents end-of-course exams

Create Opportunity

State-aligned Tutorials, customizable to your district's needs, adapt to each student and provide personalized instruction, practice, and review. New York students **achieved a 74% gain** from pretest to posttest. Here's how:

Increase End-of-Course Test Passage

Each student gets just what he or she needs for New York Regents ELA, math, science, and social studies end-of-course exam success—filling gaps and developing course proficiency.

Bring Middle School Students to Grade-Level Proficiency

By connecting adaptive remediation with on-grade skills, Tutorials efficiently fill gaps and build grade-level proficiency.

Topic-level pretests identify skill gaps

Adaptive remediation—down to elementary-level concepts if needed—fills gaps in prerequisite skills

On-grade instruction supports EOC exam and grade-level proficiency
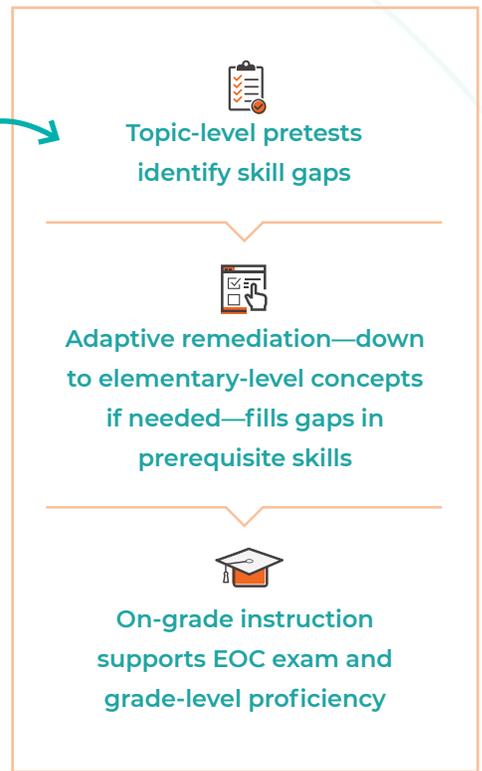

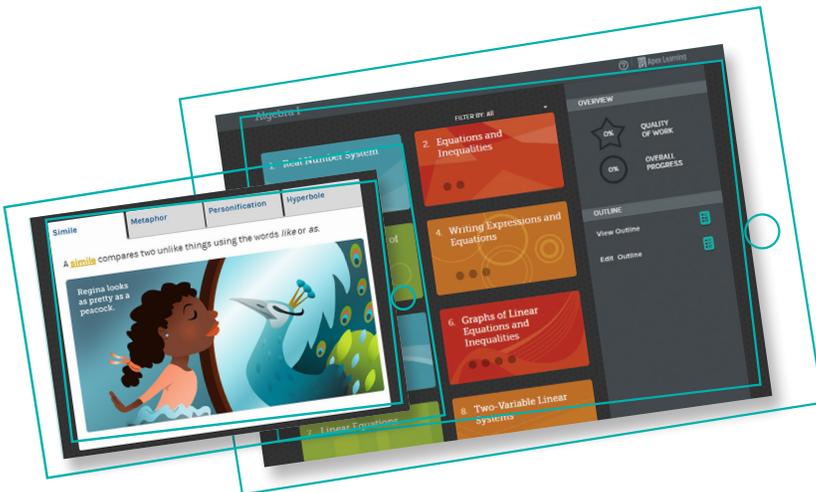

Reporting by Standard

With real-time dashboards and reports, educators can tell where each student is—for each standard—so they have the information they need to support student success in class and on high-stakes tests.

Proven Results

Tutorials help students across New York and the nation achieve grade-level proficiency, and they help districts increase performance on ESSA indicators of achievement.

"Apex Learning digital curriculum has benefited everyone in our school community. Students have access to interactive curriculum with flexibility and supports, while teachers have access to supplemental curriculum. The reporting also opens communication between teachers, administrators, students, and parents, and everyone benefits from the data that is generated to measure success."
