

North Carolina Tutorials

Prepare students for success on end-of-grade and end-of-course assessments

Create Opportunity

State-aligned Tutorials, customizable to your district's needs, adapt to each student and provide personalized instruction, practice, and review. North Carolina students **achieved a 61% gain** from pretest to posttest. Here's how:

Increase End-of-Course Test Passage

Each student gets just what he or she needs for North Carolina end-of-course exam success—filling gaps and developing course proficiency.

Bring Middle School Students to Grade-Level Proficiency

By connecting adaptive remediation with on-grade skills, Tutorials efficiently fill gaps and build grade-level proficiency.

Topic-level pretests
identify skill gaps

Adaptive remediation—down
to elementary-level concepts
if needed—fills gaps in
prerequisite skills

On-grade instruction
supports EOC exam and
grade-level proficiency

Reporting by Standard

With real-time dashboards and reports, educators can tell where each student is—for each standard—so they have the information they need to support student success in class and on high-stakes tests.

“From the moment we started using Apex Learning, it gave students who had no hope a new lease on learning.”

Rodney Shotwell
Superintendent
Rockingham County Schools

Proven Results

Tutorials help students across North Carolina and the nation achieve grade-level proficiency, and they help districts increase performance on ESSA indicators of achievement.
