

# Ohio Tutorials with Adaptive Remediation

Designed specifically for the Ohio Learning Standards to prepare students for the Ohio State Tests and end-of-course exams

Raise exam scores, promotion rates, course pass rates, and post-secondary readiness for students in Grades 6–12 through an easy to implement, standards-aligned solution that’s proven to get results. Adaptive, state-specific Tutorials help Ohio educators increase achievement by quickly identifying each student’s learning needs and delivering personalized instruction, practice, and review.

## Raise Outcomes for All Students — From Struggling to Advanced

**Close the gaps.** Adaptive remediation down to elementary-level content and real-time support for struggling students allow *all* students to reach grade-level mastery, no matter where they start.

**Raise exam scores.** Personalized learning plans target the skills and concepts where students need the most attention, while reporting by standard gives teachers and administrators constant insight into test readiness.

**Graduate all students college- and career-ready.** College and career readiness Tutorials prepare students for college entrance and high school equivalency exams by giving students the focused support they need to excel.

# Proven Results

The most effective way to raise outcomes is to support at-risk students before they fall behind, and to challenge students who are at or above grade-level. Districts across the nation have used Adaptive Tutorials to increase achievement for students at all levels, from those ready to accelerate to those needing remediation.
