

Tennessee Tutorials with Adaptive Remediation

Designed specifically for the Tennessee Academic Standards and to prepare students for the TNReady assessments.

Adaptive remediation down to elementary-level content

Raise exam scores, promotion rates, course pass rates, and post-secondary readiness for students in Grades 6–12 through an easy to implement, standards-aligned solution that’s proven to get results. Adaptive, state-specific Tutorials help Tennessee educators increase achievement by quickly identifying each student’s learning needs and delivering personalized instruction, practice, and review.

Raise Outcomes for All Students — From Struggling to Advanced

Close the gaps. Adaptive remediation down to elementary-level content and real-time support for struggling students allow *all* students to reach grade-level mastery, no matter where they start.

Raise exam scores. Personalized learning plans target the skills and concepts where students need the most attention, while reporting by standard gives teachers and administrators constant insight into test readiness.

Graduate all students college- and career-ready. College and career readiness Tutorials prepare students for college entrance and high school equivalency exams by giving students the focused support they need to excel.

Designed for tablets, Chromebooks™, laptops, desktops, and any device with an Internet connection.

“We know that personalized learning is increasing student outcomes by our continual yearly rise in test scores, our rise in graduation rates and our everyday student successes.”

Julie Kornahrens

Assistant Superintendent, Dorchester School District Two, SC

Reporting by Standard

Integrated dashboards and automated reports provide progress and performance data by standard, giving teachers and administrators the real-time insight they need to continuously support student success throughout the year.

“The reporting functionality of Apex is awesome. I really appreciate it after using some other systems that just don’t cut it.”

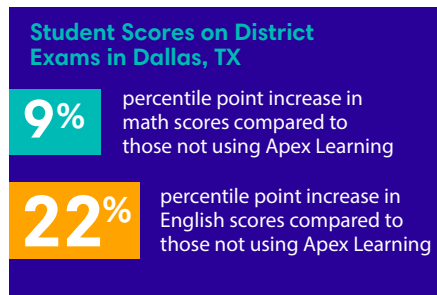

Heather Pelletier

Matanuska-Susitna Borough School District

Proven Results

The most effective way to raise outcomes is to support at-risk students before they fall behind, and to challenge students who are at or above grade-level. Districts across the nation have used Adaptive Tutorials to increase achievement for students at all levels, from those ready to accelerate to those needing remediation.
