

Virginia Tutorials

with Adaptive Remediation

Prepare students for success on the Standards of Learning (SOL) exams

Create Opportunity

State-aligned Tutorials, customizable to your district's needs, adapt to each student and provide personalized instruction, practice, and review. Virginia students **achieved a 67% gain** from pretest to posttest. Here's how:

Increase End-of-Course Test Passage

Each student gets just what he or she needs for success on English, math, science, and history/social studies SOL end-of-course exams required for graduation—filling gaps and developing course proficiency.

Bring Middle School Students to Grade-Level Proficiency

By connecting adaptive remediation with on-grade skills, Tutorials efficiently fill gaps and build grade-level proficiency.

Topic-level pretests
identify skill gaps

Adaptive remediation—down
to elementary-level concepts
if needed—fills gaps in
prerequisite skills

On-grade instruction
supports EOC exam and
grade-level proficiency

Reporting by Standard

With real-time dashboards and reports, educators can tell where each student is—for each standard—so they have the information they need to support student success in class and on high-stakes tests.

Proven Results

Tutorials help students across Virginia and the nation pass exams required for graduation and achieve grade-level proficiency, and they help districts increase performance on ESSA indicators of achievement.

“We know that personalized learning is increasing student outcomes by our continual yearly rise in test scores, our rise in graduation rates, and our everyday student successes.”

Julie Kornahrens
Assistant Superintendent
Dorchester School District Two, SC
