

Washington Tutorials

with Adaptive Remediation

Prepare students for success on the Smarter Balanced end-of-course and end-of-grade exams and the WCAS

Create Opportunity

State-aligned Tutorials, customizable to your district's needs, adapt to each student and provide personalized instruction, practice, and review. Washington students **achieved a 62% gain** from pretest to posttest. Here's how:

Increase End-of-Course Test Passage

Each student gets just what he or she needs for success on the 10th grade ELA and math Smarter Balanced and 11th grade WCAS exams required for graduation—filling gaps and developing course proficiency.

Bring Middle School Students to Grade-Level Proficiency

By connecting adaptive remediation with on-grade skills, Tutorials efficiently fill gaps and build grade-level proficiency.

Topic-level pretests
identify skill gaps

Adaptive remediation—down
to elementary-level concepts
if needed—fills gaps in
prerequisite skills

On-grade instruction
supports EOC exam and
grade-level proficiency

Reporting by Standard

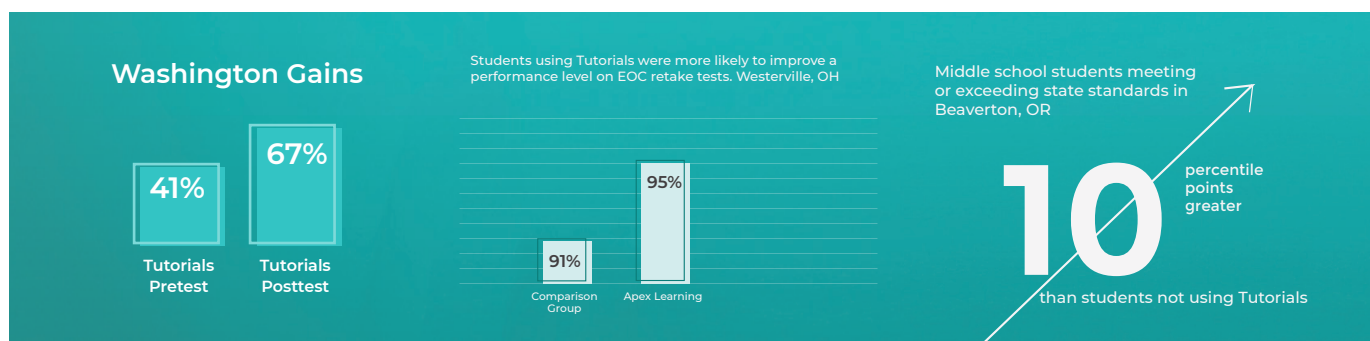

With real-time dashboards and reports, educators can tell where each student is—for each standard—so they have the information they need to support student success in class and on high-stakes tests.

Proven Results

Tutorials help students across Washington and the nation pass exams required for graduation and achieve grade-level proficiency, and they help districts increase performance on ESSA indicators of achievement.

“With Apex Learning, we have been able to provide at-risk learners an individualized curriculum, which has helped to increase student achievement and given them the self-confidence they needed to be successful.”

Laurie Hunter
Principal
Santa Anna ISD, TX
