

Does Your Credit Recovery Program Make the Grade?

Answer these **5 questions** and find out ...

1 Does your credit recovery curriculum **personalize learning**?

YES Students demonstrate mastery through prescriptive pretesting. The LMS applies mastery data to create a personalized learning plan for each student.

SOMEWHAT Teachers modify lessons for students individually.

NO All students get the same stuff.

TOTAL _____

2 Does your credit recovery curriculum **engage learners**?

YES Students are actively engaged with lessons and activities. They learn by doing and check their understanding through guided practice, and they receive formative feedback throughout each lesson.

SOMEWHAT Students aren't required to do much to move through the content and have minimal opportunities to practice what they are learning.

NO Our students mostly watch video lectures — when they're not checking Twitter.

TOTAL _____

3 Is your credit recovery curriculum **rigorous and standards-based**?

YES We invested in a rigorous, high-quality, and proven curriculum, which was developed from our standards.

SOMEWHAT Our curriculum is aligned to the standards, but there may be gaps in standards coverage.

NO The curriculum we use was developed a long time ago and does not reflect the current standards or level of rigor required by those standards.

TOTAL _____

4 Are your students **mastering the skills and concepts they need to be future ready**?

YES The students in our program demonstrate learning and mastery of concepts and skills before receiving credit.

SOMEWHAT It depends on the subject area. We are doing well in some domains, but not in all.

NO We're mostly concerned about students earning the credit rather than preparing students for the next course and beyond. We need to get these kids passed!

TOTAL _____

5 Does your program offer **data and reporting that teachers and administrators can use to make instructional decisions**?

YES Our program offers real-time dashboards and reporting so educators can understand and respond to progress and performance at any time.

SOMEWHAT Our program includes a grade book and some reporting, but the way information is presented makes analysis difficult and cumbersome.

NO Our program provides little to no data or reporting.

TOTAL _____

What's YOUR GRADE?

Add up your score.

20PTS

16PTS

14PTS

90-100

Your program is at the top of the class! You offer engaging, personalized learning opportunities, developed from the standards, that ensure students are learning and really ready for future courses, college, and work.

80-89

Your current program has quality features, but would benefit from the addition of one or more key elements necessary to ensure students are really ready.

70-79

We can help you provide a better opportunity for your students. Contact Apex Learning to ensure your students are really ready.

Want to IMPROVE YOUR SCORE?

Effective digital curriculum such as that found in Apex Learning Courses and Tutorials provides rigor aligned to standards and actively engages students, resulting in more learning happening.

You get higher grad rates and all students learn more!

Apex Learning Curriculum:

- Consistent high quality
- Highly engaging and motivating
- Supports all students
- Results in increased achievement
