

Course Syllabus

Course Description

This course provides students with an overview of individual sports. Students learn about a variety of sports, yet do an in-depth study of running, walking, hiking, yoga, dance, swimming, biking, and cross-training. Students learn not only the history, rules, and guidelines of each sport, but practice specific skills related to each sport. Students also learn about the components of fitness, the FITT principles, benefits of fitness, safety and technique, and good nutrition. Students conduct fitness assessments and participate in weekly physical activity.

Individual Sports

The items noted with an asterisk above are those that must be submitted for a grade.

Exercise Requirements

In addition to completing written assignments, discussions, and quizzes, you are required to complete physical fitness activities and pass off specific sports related skills.

You are required to complete a *minimum* of three hours per week of physical fitness activities over *at least* three different days of the week. Each week's workouts must include elements of cardio, strength training, and flexibility. You will be recording your activities and heart rate on a weekly log that you will submit to your instructor. More detailed information about the exercise requirements and your fitness log can be found in the "Course Introduction" section and within your fitness log.

You will also be required to participate in and report on some specific individual sports, such as walking, strength training, yoga, and dance.

Assignments and Grading

Each section of this course is designed to be completed in about one week's time. Please see the detailed schedule for more information on points possible and due dates.

*Only 12 Fitness Logs are required throughout the semester. Optional days to submit a weekly log are included for make-up (in case of missed weeks) or extra credit.

Recommended Materials

There are no required materials or equipment for this course.

Though not required, you may find it helpful to have access to exercise and strength training equipment, such as weights or a resistance band, as well as a heart rate monitor or watch
